

MILSET Europe General Assembly 2020

22nd October 2020, 10am, online

Invitation

Brussels, 29th December 2019

Dear Member, dear Guest,

MILSET Europe is pleased to invite you to its General Assembly 2020 held online on 22nd October 2020 at 10am.

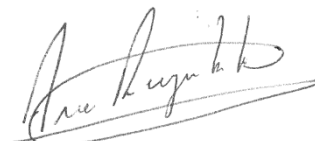

The General Assembly is playing a key role in the life of our movement as the annual gathering of all delegates. It is also the opportunity to welcome new members and associated organisations, discuss and approve the projects as well as the budget of the movement. This year will also be the occasion to renew the MILSET Europe Executive Committee; candidatures are to be sent, at least, 2 days prior the meeting.

For organisational matters, we invite you to register on <https://europe.milset.org/ga2020>. Meeting will be held using Zoom.

Organisations interested to develop or share (new) international programmes are invited to submit them to the board prior the assembly and to present them at this occasion. A round table to share our experience during the Covid-19 period will be organised at the end of the meeting.

We are looking forward to having you taking part to this event. Our movement is counting with everyone participation to provide the youngsters with always more opportunities.

Best regards,
